

## WELCOME TO OUR OFFICE

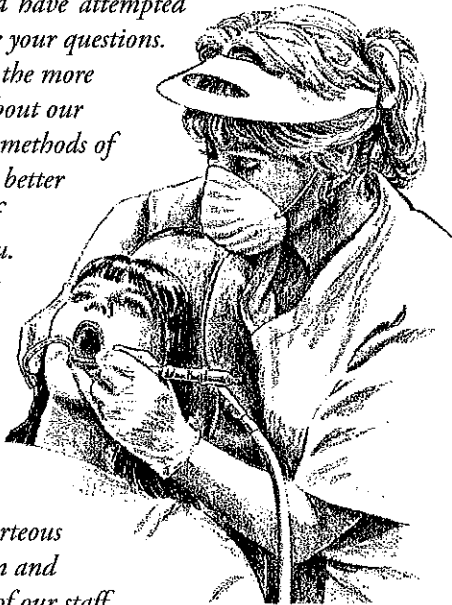

We welcome you into our practice and look forward to caring for your dental needs. We appreciate your selection of this office. Our goal in this practice is to provide the very best possible dental care for our patients so that you may achieve optimal dental health throughout your lifetime. Your health and comfort are our primary concerns.

You will find that our staff operates as a team and is dedicated to improving your dental health as quickly as possible through expert and sympathetic care. We will do our very best because we want you to feel comfortable in recommending us to your friends and relatives and we want you to have the best possible dental health as a result of our relationship.

This brochure was prepared for you to increase communication and understanding. We would like you to spend some time reviewing the contents of this brochure. We have tried to give you as much information about the practice as possible, and have attempted to anticipate your questions.

We feel that the more you know about our policies and methods of practice, the better we can be of service to you.

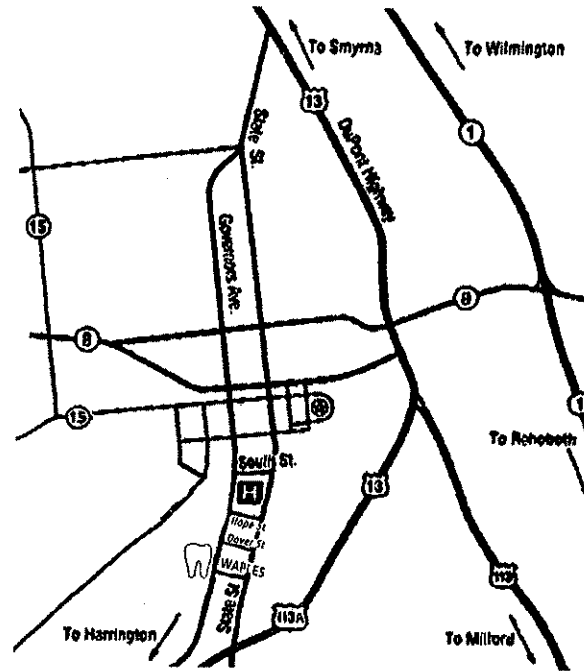

We hope you will be pleased with our efforts on your behalf and with the courteous consideration and friendliness of our staff.
